

**POST GRADUATE GOVT. COLLEGE FOR GIRLS, SECTOR-42, CHANDIGARH**

**Report on  
Mass Mobilization Campaign to raise awareness about Life (Life Style for Environment) to  
commemorate “World Environment Day 2023” from 15<sup>th</sup> to 31<sup>st</sup> May, 2023**

**Date : 01.06.2023**

Post Graduate Government College for Girls, Sector-42, Chandigarh organized an array of activities under the able Guidance of Principal, Prof. (Dr.) Nisha Aggarwal for Mass Mobilization Campaign to raise awareness about Life (Life Style for Environment) to commemorate “World Environment Day 2023” from 15<sup>th</sup> to 31<sup>st</sup> May, 2023. This campaign was organized under the Aegis of Department of Education & Department of Environment Chandigarh Administration. To create awareness about the importance of conserving environment, activities like awareness talk on Importance of Maintaining Cleanliness in Canteen and using bins, importance of Waste Segregation with special emphasis on Electronic, Plastic and Glass Waste, importance of Health and Fitness, Medicinal Plants, Yoga, Meditation, Millets for Healthy Life, Water Conservation were held. Cleanliness Drives, Demonstration of Cooking of Barnyard (Millet) Cutlets, Cloth Bag Making (to motivate the students to replace the usage of Plastic Bags with cloth Bags), on Usage of Automatic Sanitary Napkin Vending Machine (Personal/Menstrual Hygiene), Sustainable Practices adopted by the College (Solar Lights, Rain Water Harvesting, Solar Power Grid & E-Bike) and Cycle Rally, Books Donation Drive were also conducted.

Visits to various eco-friendly facilities of the college like solar panels on Roof Top, Herbal garden, Composting Units, and Tertiary Water Points were also carried out. Activities like Run for fun/ Walk, Implementation of Plastic ban in college, Poster Making, Slogan Writing Installation of Community Earthen Pots for cooling Water, Planting Medicinal Plants within household Premises, Maintaining Kitchen Gardens in household premises, Collection & Use of empty milk pouches for use in nursery for plantation, Lecture on Plants Contributing in Pollution Control/ absorption of Pollutants were also organized. Pledge was also taken by all the staff members and students to adopt Healthy Life Style to Protect Environment.

Prof. (Dr.) Nisha Aggarwal congratulated all the staff members for organizing these activities and successfully completing the campaign.
