ANNUAL SPORTS REPORT

SESSION 2019-20

Good Afternoon! I welcome the staff and students of Post Graduate Govt College for Girls, Sector 42, Chandigarh and distinguished guests to the 37th (XXXVII) Annual Athletic Meet of the college.

- Having started on this journey to impart holistic education to women in 1982, we have come a long way since then. Accredited 'A' grade by NAAC, we are a premier multi faculty institute of Northern India.
- I take pride in saying that we have a large area in the college campus devoted to the special activity of sports. We have courts for Football, Basketball, Kabaddi, Netball, Badminton, Baseball, Volley Ball Kho-Kho, Hockey, Handball and a standard track of 400 meters, with eight lanes. The state of the art gymnasium outfitted with the latest & high-tech equipment has spruced us all into physically fit & well turned-out intelligentsia.
- A team of 4 lecturers, coaches and assistants, headed by Mrs. Anju Trikha, has groomed more than 1500 students for this special day. This is for the information of all concerned that the Annual Athletic Meet is open to every student of the college, whether she has opted for Physical Education as a subject or not. Since 2008 we are also running B.P.Ed which is a professional degree course.
- We are honored to have with us Shri Rubinderjit Singh Brar, Director Schools and Higher Education, Chandigarh Administration, U.T., Chandigarh. He graduated First class first in Civil Engineering with Honours from Panjab Engg College, Chd. He cleared GATE 92 for IIT, Delhi with an impressive 90 percentile.
- He was also first class first in ME (structures) again from PEC, Chd. Selected for PCS executive in 1999 and reselected for PCS (EB) and allied services in 2003, he has the distinction of qualifying all departmental exams in the first attempt.
 - He has a total work experience of 20 years and has been shouldering the various administrative posts with the Panjab Govt for the past 14 years.

- An avid sportsman, he keeps himself fit by nurturing his passion for cycling, badminton, long walks He is also a voracious reader who keeps himself updated with the latest in the literary world.

- A very warm welcome to you Sir!

Your presence today is indeed a source of inspiration for our students.

I also extend a hearty welcome to all the guests who have joined us here today to encourage our budding sportswomen. Today's extravaganza has been possible due to the unconditional support and untiring encouragement of the Chandigarh Administration under the aegis of Director, Higher Education which has enabled us to provide a conducive environment for empowering young women from diverse socio-economic background. Every time an athlete sets her foot on the field, she learns something more about herself and those around her. The lessons that are learnt on the field go a long way later in life also. Sports are a great teacher; they hone one's skills-- physical, mental and social as well! Participation in sports gives the students an opportunity to put into practice values like discipline, responsibility and accountability. We encourage our students to participate in a plethora of games at the University, State and National Levels.

I feel proud to share with you all that during the session 2019-20, our girls bagged **14 gold medals, 18 silver medals and 86 bronze medals** in different events at National, State and University level..

I extend my gratitude to Mrs Anju Trikha, and her entire team comprising Dr Ram Niwas Yadav, Mr Parveen, Ms Shafali, Manju, Rani, Simran, Deepak and the diligent ground staff who have worked tirelessly towards the success of this event.

And finally, girls, I would like to share with you that

We don't play sports because it's fun. It's what we live for! We live for the practices, the parties, the cheers & the long bus rides. We emulate the coaches whose efforts have honed us from base metal to gold. We live for the way it feels when we beat the other team, we live for the way our team becomes our family, we live for the countless songs we sing together. We live for the competition; we live for the friends, the memories & the pain. This is who we are. This is who we should be!!

For if there's one thing sports teaches us, it's to never give up & as our college motto proudly proclaimsto keep going “**HIGHER STILL**”!

SPORTS/CULTURAL EVENTS/COMPETITIONS SESSION (2018-19)
(Sr. No. 92-166)

I. PARTICIPATION IN SPORTS ACTIVITIES/EVENTS/COMPETITIONS (2018-19)
92, 94-104. ANNUAL SPORTS REPORT (2018-19)

On behalf of the staff and students of Postgraduate Government College for Girls, Sector 42, I extend a warm welcome to Padam Shri & Arjun Awardee Sh. Prem Chand Degra, an eminent IFBB professional Body Builder to the 36th Sports day of the college. Born in 1955 at Village Babri Nangal of Gurdaspur dist., Sh. Degra has the rare honour of winning the World Amateur Body building championship title in the short height 80 kg category in 1988.

Sh. Degra began his illustrious sports career as a wrestler after matriculation and soon rose to be crowned Mr. Punjab, Mr. North India, and Mr. India NINE times in a row, Mr. Asia EIGHT times and finally Mr. World and Mr. Universe. He has won several accolades at the International front representing and winning titles of Mr. Asia in Karachi, Seoul, Colombo, Taipee & Malaysia. He clinched the Gold in Australia and silver Medal at Tokyo in the Middle-weight category. He turned professional in 1989 and won two Pro-Am Classic championships of Mr. Asia in 1990 & 91. However, his most memorable accomplishment has been bagging the title of Mr. Universe in the year 1989, making him the third Indian ever to be able to achieve this accolade.

It was in recognition of his unprecedented success in various national and International events that he was accorded Arjun Award in 1986 and Padam Shri in 1990. He is also a recipient of Punjab Govt.'s Maharaja Ranjit Singh Award (1994), Tata Best Sportsman Award (1986) and Charminar Challenge Trophy.

Welcome Sir,

Your presence today is indeed a source of inspiration for our students.

I also extend a hearty welcome to all the guests who have joined us here today to encourage our budding sportswomen. Having started on this journey to impart holistic education to women in 1982, we have come a long way. Accredited 'A' grade by NAAC, we are a premier multi faculty institute of Northern India.

This feat has been possible due to the unconditional support and untiring encouragement of the Chandigarh Administration under the aegis of Director, Higher Education which has enabled us to provide a conducive environment for empowering young women from diverse socio-economic background.

As far as sports is concerned, the college boasts of State-Of-the-Art facilities for sports such as football, Badminton, Baseball, Volleyball, Kho-Kho & tracks for athletics. The basketball court and the gymnasium outfitted with the latest & high-tech equipment has spruced us all into physically fit & well turned-out intelligentsia. The

college offers Physical education not only as a subject at the undergraduate level but also as B.PEd, a professional two years Course.

The Physical Education dept.and the supporting staff, headed by Mrs Anju Trikha, need special mention for their consistent efforts in promoting & upgrading sports in the college.

During the session 2018-19, the college bagged 16 gold medals, 16 silver medals and 36 bronze medals in all. Our team has the distinction of securing overall fourth place in Senior Cricket National Championship

Some of the outstanding achievements of our sports women are:

WUSHU: Pratibha of BA III secured 5th position in National Wushu Championship at Assam. She also won Bronze Medal in Wushu Federation Championship.

RUGBY: Kajal Bakshi, Tanuja, Esha, Anjali, Sanjana and Stanzin Dolker won Bronze medals in Senior National Rugby Championship held at Ludhiana. Bhavna, Bharti, Manisha, and Sanjana Singh also participated in Under-19 Junior National Rugby Championship.

DROP RO BALL: Manpreet won bronze medal in Drop Ro Ball senior National Championship.

BASKETBALL: Our girls Srishti, Priyanka Rathi, Bharti, and Bhavna, won a Bronze medal in Senior State Basketball Championship.

CRICKET: Swati, Sonika, Geeta, and Shabnam participated in Senior Cricket National Championship and secured 4th position.

I congratulate all the winners, their teachers & coaches who have transformed them into sportspersons by inculcating in them the five S's of sports training which are: stamina, speed, strength, skill, and spirit.

I extend my gratitude to Mrs Anju Trikha, and her entire team for their untiring efforts towards promoting sports. I especially appreciate the invisible endeavours of all the malis & beldars who have worked tirelessly to make this day a resounding success.

And finally, girls, I would like to share with you that

We don't play sports because it's fun. It's what we live for! We live for the practices, the parties, the cheers & the long bus rides. We emulate the coaches whose efforts have honed us from base metal to gold. We live for the way it feels when we beat the other team, we live for the way our team becomes our family, we live for the countless songs we sing together. We live for the competition; we live for the friends, the memories & the pain. This is who we are. This is who we should be!!

For if there's one thing sports teaches us, it's to never give up & as our college motto proudly proclaimsto keep going “**HIGHER STILL**”!

There is no denying the fact that; a healthy mind resides in a healthy body. With its inherent qualities of practice, participation, and competition, sports inculcate in us stamina, speed, strength and life-skills. Hence, sports should be integrated into the school and college curriculum to make education more significant and relevant.

Dear students, you, the Gen-Next, have a greater responsibility of changing the mindset of the society which considers sports as a male dominated arena. Girls remember that you have to be 'THE CATALYSTS' to build a Gender Just society. You have to walk an extra mile to realise this dream. It does not matter how many times you fall or fail; remember that you have to get up and fight back.

In the end, I express my deep sense of gratitude to Sh R K Popli, Director Higher Education and all other distinguished guests for joining us today to felicitate and encourage our young athletes.

I also take this opportunity to convey my thanks to my dear colleagues who have been working tirelessly to make this event a big success... I also want to thank the non-teaching staff without whom holding such events would not be possible.

Thank You

REPORT ON ACTIVITIES IN COLLABORATION WITH NSS

Towards Holistic Development

The college endeavours to imbibe holistic education so as to prepare the students to meet the challenges of life. Holistic education is based on the principle that students find identity & purpose in life by connecting to the community, nature & humanitarian values. The purpose of holistic education is not only to prepare students for academic success, but also to enable them to meet the challenges of life. They are taught to learn about themselves, about healthy relationships, about social responsibility, compassion, collaboration rather than competition.

By using real-life experiences, current events, the finer arts and audio/visual aids to substantiate textbook information, the students are encouraged to explore and discover their potential and latent talents. As holistic educators, we must respond to the learner's inquisitive mind with a sensitive understanding of the environment that he or she is maturing in. To fulfill this purpose, we have four NSS Units, NCC (Army Wing) and various clubs, cells, societies and associations actively functioning in the college. पीजीजीसी फॉर गर्ल्स-42 में निकाला मार्च फॉर यूनिटी

सिटी रिपोर्टर | चंडीगढ़

पोस्ट ग्रेजुएट गवर्नमेंट कॉलेज फॉर गर्ल्स सेक्टर 42 में राष्ट्रीय एकता दिवस मनाया गया। लीड पुरुष सरदार वल्लभ भाई पटेल के जन्मदिन पर उनके योगदान को याद किया गया। सरदार पटेल ही थे, जिन्होंने देश की एकता के छोटे-छोटे राज्यों में बंटे भारत को आजादी मिलने के बाद एकसूत्र में पिरोने के लिए हरसंभव प्रयास किया।

प्रिंसिपल प्रो बीनू डोगरा ने कहा कि देश को एकजुट बनाए रखने की जिम्मेदारी युवाओं पर है। हमें प्रेम और एकता के जरिए भाईचारे को बढ़ाना है ताकि देश के सभी हिस्सों में आपसी विश्वास और प्यार पैदा हो सके। उन्होंने कहा कि आजकल के समय में टीचर्स की बहुत बड़ी जिम्मेदारी बन जाती है कि वो स्टूडेंट्स को सही दिशा में लेकर जाएं। राष्ट्र निर्माण में जितना अहम रोल आजकल के युवाओं का है उतना ही अहम रोल गुरुओं का है छात्रों को सही आदर्श देने में। स्टाफ और स्टूडेंट्स ने देश की एकता बनाए रखने को हरसंभव प्रयास करने की शपथ ली और मार्च फॉर यूनिटी निकाला। एनएसएस को-ऑर्डिनेटर नेमी चंद गोिलिया ने सभी वॉलंटियर्स को राष्ट्रीय एकता दिवस का महत्व बताया।
