## 2. Virtual Symposium on “Value of Books in Life”

The screenshot shows a Facebook video player. The video content is a man with glasses and a mustache, wearing a green and white plaid shirt, sitting in front of a large, well-stocked wooden bookshelf. The bookshelf is filled with books of various colors and sizes. The man is looking directly at the camera. The video player interface includes a progress bar at the bottom, which is currently at 0:00. The video title is "The Library was live". Below the video, there are interaction buttons for "Like", "Comment", and "Share". To the right of the video, there is a comment section with two comments from "Supratim De Piku" and "Atanu Ganguly", both dated "1y". The video has 94 comments and 1.5K views.

The lawyer(Pathak, 2019) is as good as he has updated legal resources. Authentic and updated information is the key to the success of a lawyer. The law resources are complex in nature and very expensive too to subscribe(Baipai, 2020; Mervis, 2009; Pathalg 2019) and access to. The every one working in the field of justice administration system is always in need of latest information whether they are police officers, lawyers, judges or prosecuting officers. The legal minds cannot afford the scarcity of resources which are the necessity of case preparation, delivery of advocacy and delivery of justice. The prosecuting officers are one of the pillars who are supporting the government in delivering justice. Some subscribed database is made accessible to the public prosecuting officers of Uttar Pradesh by the Prosecution Department of the Uttar Pradesh as the central nodal agency. But, the challenge is to continue the

- Marisport A. q. how to Humanitarian treatment of fellow policemen by the higher officers?
- Harshil Mehta There is a crucial and emerging need of the hour to break and isolate the influence and nexus of Police-Politicians I think if we will break this bridge and implement Community centric Policing
- Dr.T.P. Ameta Thanks for informative session on Role of Police & Responsibilities, Contribution of various social scientists for the police.
- Harshil Mehta Its greatness and kind of you sir.
- Harshil Mehta RAT, TAT, WAT etc.
- Marisport A. q. how to manage the work load of policemen and ensure their well being?
- Yashwant Narayan In my opinion till the Police is the subject to the state gov. there would always be politicization of police system.
- Harshil Mehta Impartiality, Reliability & Integrity are the key points for better Policing.
- MUDRA SINGH some events to appreciate police we can encourage them as well give a good lesson for others
- preet kamal Role of Bombay Police was very much criticised by people in case of Sushant Singh Rajput. People have lost their faith in police.

INTERNATIONAL EXPERIENCE ON FOREST AND WILDLIFE

- **Oman** – All desert having no forest no wildlife
- **Uganda** – 90% country land have preserved forest and wildlife. Lion, Leopards, African wildcats, cheetahs, hyena, chimpanzees, red-tailed monkeys.
- **Canada** – The forest area of Canada from Calgary to Surrey is about 1000 KM and have been covered both side of road with chain-link fencing to avoid wild animal accidents and have been made long bridges over the roads to enable the wildlife to cross other side.

## Education

- ▶ IoT customizes and enhances education by allowing optimization of all content and forms of delivery.
- ▶ It enables educators to give focus to individuals and their method.
- ▶ It also reduces costs and labor of education through automation of common tasks outside of the actual education process.
- ▶ IoT in education means a better-connected and more collaborative future for education.
- ▶ IoT devices give students better access to everything from learning materials to communication channels, and they give teachers the ability to measure student learning progress in real-time.

- The soldiers were organized into what became known as the National Army (INA) - *Azad Hind Fauj*
- Bose boldly declared to his troops, “Dilli Chalo” (“On to Delhi”) and offered Indian nationalists a rousing new slogan, “Give me blood, and I will give you freedom.”

# 32. Webinar on “All about being Job-Ready!”

The screenshot shows a YouTube live stream interface. The main video area displays a grid of six participants: Dr Preeti Sharda, Amandeep Kaur, Sumedha Singh, Prof Nisha Agarwal, Ms. Sonia Sikand, and Shaktee. The video title is "All about being Job ready!" with 250 views and a date of April 11, 2021. The channel is "PGGC42 Webinars" with 1.16K subscribers. The interface includes a search bar, navigation icons, and a right-hand sidebar with recommended videos and a "Study Abroad" banner.

This screenshot shows the same YouTube live stream, but with a diagram titled "Personal Skills" overlaid on the video. The diagram features a central blue circle labeled "Personal Skills" with arrows pointing to six surrounding blue circles: "Friendliness", "Work-Life Balance", "Time management", "Self Confidence", "Taking Criticism", and "Enthusiasm". To the right of the diagram is an image of silhouettes of people walking. The video title and channel information remain the same as in the previous screenshot.
