Last one and a half year has forced us all to change our perspective towards all aspects of our lives: personal, social, spiritual and professional. Changing times have heralded a new era of technology driven pedagogical techniques wherein ICT has virtually replaced the classroom environment. Concurrently, for holistic development too, a comprehensive use of on line sources, webinars, virtual tours have been roped in to sensitize students on various pertinent issues. However, this transformation has its own pitfalls and challenges.

To begin with, the faculty has honed its ICT skills and geared up to impart academic and holistic training to the students through various modes: Google meet, Cisco Webex, WhatsApp, Microsoft teams, e mails,etc.

In the absence of physical attendance, the teachers faced the challenge of teaching on line where retention of attention, interest and connection with the students especially with recurring network issues had to be overcome. These times haven't been less challenging and frustrating for the students as well. Confined to their homes, away from the congenial atmosphere of the college campus where education is imparted not only through class room teaching, but also by sharing ideas with friends, participating in sports and extra- curricular activities, learning through distant mode was indeed a mammoth task. However, since change is the only constant in life, we have all adapted well to the new normal. The exponential effort put by the college authorities and the Chandigarh administration in revamping the infrastructure in terms of faster internet, superior network system, new advanced and latest versions of computers etc have enabled us to meet this challenge head long.

# **SUPPORT SYSTEM**

RUSA, UGC, New Delhi; Panjab University, Chandigarh and Dept. of Higher Education, Chandigarh Administration are our major support systems.

In addition, our college Administrative Branch, Examination Branch, Hostel and Library work in close confluence and ensure smooth running of the college.

## **RUSA (MHRD) GRANT**

- Funding from RUSA enabled the college to establish a Research Lab in Life Sciences. The lab, which is one of its kind among the Chandigarh colleges, provides state-of-the-art research lab facility to PG and Ph.D. students in college. The research lab provides all facilities like testing equipment, library and other relevant material under one roof. It also has a projector to demonstrate/ present relevant scientific content to the stakeholders. The lab is being extensively used by the research scholars and PG students to carry out their research work in a conducive environment.
- The installation of the lift in the IT block is a step towards making our entire campus differently abled friendly. There was no provision for a ramp or a Lift in this building. However, with timely intervention by RUSA and the efforts made by the engineering department of Chandigarh administration, this ambitious project has now become a reality. It is pertinent to mention here that two of our B. Com students are differently abled and since the commerce department is on the third floor, they will be direct beneficiaries of this facility once classes resume post covid 19.. The lift will also enable easy movement of men and material especially during university and competitive exams.
- The day care centre at PGGCG-42, Chandigarh established under the aegis of MHRD (RUSA Scheme) provides a congenial and conducive environment for growth and development of the children of students and staff. Ever since its inception, the Day Care centre has facilitated working mothers and students with kids to pursue their work and studies respectively, while their young ones spend quality time in a safe, healthy, and conducive environment within the four walls of the college. It ensures security and safety and has an open-door policy, allowing and welcoming parents to visit and observe their children at any time. The fully equipped play room is covered with safety mats and is bright and colourful. There is also an ante room where children can take a nap. The centre is well equipped with all the necessary

paraphernalia required for quality child care. It also has a fully furnished kitchen and a washroom. Day care centre offers full day, half day care and before/after school services. It's a cheerful place where children get an opportunity to mingle with peers and learn and play together.

- Mini Conference room: To cater to the academic and co-curricular needs of the students and the faculty, a mini conference room has been renovated and equipped with state-of-the-art infrastructure. Funds provided by RUSA have been instrumental in equipping this mini conference room with high definition projector and screen, WIFI facility, designated podium for the resource persons and comfortable sitting capacity of 86. This facility will help us organize various workshops, seminars and conferences in a conducive environment where interactive sessions, group discussions and other related activities will be successfully conducted. Moreover, it will facilitate student presentations viz-a viz viva, seminars, documentary screening, OJT presentations etc. by the students which is an integral component of their academic curriculum.
- RUSA has made an immense contribution in refurbishing college hostel mess and serving area by providing liberal grants to undertake this renovation. The college hostel mess is now totally modular with steel fittings and worktop and a separate washing area. To further enhance its ventilation a huge vent fitted with a high power exhaust machine has been installed which does not allow the fumes to pollute the kitchen and the serving area. All these facilities have added to the hygiene quotient of the college hostel mess making it one of the best in 'The City Beautiful'.

## **ADMINISTRATIVE OFFICE**

We have a fully automated office which has dedicated and committed administrative staff led by Mrs.Santosh. The services of the Administrative staff are an integral and indispensable part of the functioning of the college and a fully computerized office has made the working of the Administrative Branch better organized and more efficient.

## **EXAMINATION BRANCH**

The college examination branch is a confidential section with the responsibility of smooth conduct of Mid-Semester exams, University Examinations and competitive Exams for all the UG & PG courses on the basis of which internal assessment is calculated and Annual Prize Distribution is held. 4 Examination centres are allotted for Semester Exams. Also various competitive examinations of National and State repute are assigned to the college by the Chandigarh Administration from time to time. Some of the important entrance examinations worth mentioning here are Civil Services, NDA, PCS, HCS, CET, BSRB, RRB, IB, SLIET, MES, and UGC etc.

Our College is amongst the first few colleges which has adopted Panjab University's Examination Appointment Project Online. Registrar Examination has been appointed as Nodal officer for this project. The Principal can login and recommend the names of the members of the faculty to be appointed as examiners, Centre Superintendents & members of the flying squad. Each faculty members has been allotted a Unique ID Number.

It is pertinent to state that College Examination Branch is equipped with BIZHUB-German make Printing Machine for printing of confidential papers etc. and Examination Branch members take extra pains to do this job which helps to save Govt. funds to the extent of 40%. Revenue from other sources such as disposal of used answer sheets is generated from time to time for improving exam infrastructure.

With the initiative of Registrar Examination branch, list of students who have topped in university exams has been prepared to guide and motivate intelligent students. College Examination work has been successfully web-interfaced with PU-VPN for handling editing, deleting, querying, viewing and printing reports which has substantially reduced paper work.

Instead of using conventional examination form, the college has updated online examination - form submission in semester system. Communication gateway mechanism has been efficiently introduced for online submission of internal Assessment in undergraduate and post graduate classes.

## **HOSTEL**

Due to pandemic, teaching was conducted on line during session 2020-21 as per the guidelines of GOI. Hence, the hostel remained non functional for the students. Therefore, no hostel admission was done during the session. Regular cleaning and upkeep of the hostel is being maintained throughout the session. Following infra structural enhancements have been done:

- A new hostel building to accommodate 350 students is under construction.
- Three commercial Acs of 9 tonnes capacity have been installed in the dining hall.
- White wash of one wing of the hostel has been completed.

जा रहा है। इस क्रम में नोडल अधिकारी डॉ. परमज्योति ने गत दिवस फील्ड में कार्य करने वाले अधिकारियों और कार्यकर्ताओं को संश्लिष्ट भोजन, स्वच्छता आदि पर टिप्स दिए। अभियान के तहत किचन गार्डन को बढ़ावा देने, बच्चों के लिए मां के दूध को संयोजित बनाने और पोषक आहार आदि के बारे में जागरूक जा रहा है। विभाग ने पोल्ड में काम करने वाली की सहायता की और उन्हें प्रोत्साहित किया।

## व्यक्ति जैसा लेता है आहार उसी के मुताबिक आता है विचार : प्रो. बीनू डोगरा

चंडीगढ़। पोस्ट ग्रेजुएट गवर्नमेंट कॉलेज फॉर गर्ल्स सेक्टर- 42 के गृह विज्ञान विभाग की ओर से राष्ट्रीय पोषण माह मनाया गया। इस दौरान स्वस्थ शरीर बनाए रखने के लिए टिप्स दिए गए। कहा गया कि पोषण को अपना शौक बनाना होगा। पौष्टिक आहार लेने से स्वस्थ शरीर रहेगा और विचार भी बेहतर आएंगे। विचारों के समृद्ध होने से तेजी से आगे बढ़ा जा सकता है।

प्राचार्या प्रो. बीनू डोगरा ने सभी का स्वागत किया। उन्होंने बताया कि व्यक्ति जैसा आहार लेता है उसी के मुताबिक विचार भी आते हैं। सकारात्मकता व नकारात्मकता से खानपान भी जोड़ता है। इसका भी एक अलग विज्ञान है। ऐसे में भोजन ऐसा लें जो शरीर को लाभ दे और सभी तत्वों की पूर्ति हो। स्वस्थ शरीर ही सबसे बड़ी पूंजी है। जब शरीर नहीं रहेगा तो बाकी चीजें व्यर्थ हैं। इसलिए सभी को अपने शरीर को स्वस्थ रखना होगा और उसी दिशा में कदम उठाने होंगे।

उन्होंने कहा कि स्वस्थ शरीर से ही मन भी स्वस्थ रहता है। कोरोना काल में स्वस्थ शरीर की बहुत जरूरत है। रोग प्रतिरोधक क्षमता स्वस्थ शरीर की ही अच्छी होती है। विभाग अध्यक्ष डॉ. मनप्रीत कौर ने उद्यान की आवश्यकता के बारे में बताया। विभाग की उपलब्धियों पर भी प्रकाश डाला। पीजीआई से डाइटिशियन डॉ. नैसी साहनी ने पादप आधारित आहार के महत्व पर प्रकाश डाला। इस दौरान कल्याणी सिंह ने सभी का आभार जताया। -व्यूरो

# रिवर्सल ऑफ़ डायबिटीज़ एंड कार्बोहाइड्रेट काउंटिंग पर राष्ट्रीय वेबिनार आयोजित

❖ विनोद कुमार

**चंडीगढ़।** पोस्ट ग्रेजुएट गवर्नमेंट कॉलेज फॉर गर्ल्स, सेक्टर 42, चंडीगढ़ की प्राचार्या प्रो (डॉ.) निशा अग्रवाल जी के कुशल निदेशन में डिपार्टमेंट ऑफ़ होम साइंस द्वारा इंडियन डायटेटिक एसोसिएशन, चंडीगढ़ चैप्टर के सहयोग से 11 नवंबर, 2020 को इन्वर्ल्ड ऑफ़ डायबिटीज़ एंड कार्बोहाइड्रेट काउंटिंग पर एक राष्ट्रीय वेबिनार का आयोजन किया गया, ताकि वर्ल्ड डायबिटीज़ को चिन्हित किया जा सके। ध्यातव्य है कि यह दिवस हर साल 14 नवंबर को मनाया जाता है। प्रिंसिपल, प्रो (डॉ.) निशा अग्रवाल जी ने स्पीकर और प्रतिभागियों का स्वागत किया। श्रीमती सुनीता मल्होत्रा, संयोजक, भारतीय आहार संघ, चंडीगढ़ चैप्टर ने इस पुरानी बीमारी को रोकथाम के लिए आम जनता में जागरूकता पैदा करने के महत्व पर प्रकाश डाला। गृह विज्ञान विभाग की अध्यक्ष डॉ. मनप्रीत कौर जी ने बीज वक्ता श्रीमती

शिल्पा जोशी, पंजीकृत डाइटिशियन और निदेशक, मुंबई डाइट एंड हेल्थ सेंटर, मुंबई का परिचय कराया, जिन्होंने एक अद्भुत सत्र आयोजित किया। उन्होंने मधुमेह की रोकथाम और उलटफेर में आहार और जीवनशैली के महत्व पर अपनी संपूर्ण और ज्ञानवर्धक बातों से श्रोताओं को मंत्रमुग्ध कर दिया। उन्होंने जुड़वां चक्र परिकल्पना पर प्रकाश डाला, जिसमें पता चला कि कैलोरी की अधिकता और इंसुलिन प्रतिरोध भोजन के प्रति इंसुलिन की प्रतिक्रिया को कम करता है जिससे हाइपरग्लाइसेमिया होता है। इस प्रकार, मधुमेह के इस जुड़वां चक्र को उलट देना उचित है। उन्होंने जोर देकर कहा कि छूट सीधे वजन घटाने के लिए अनुपातिक है, लेकिन कई मरीज इन प्रतिबंधों का पालन करने में असमर्थ हैं क्योंकि हम हमेशा भोजन से घिरे रहते हैं। उन्होंने कहा कि यदि रोगी कैलोरी प्रतिबंध का प्रबंधन करने में सक्षम है तो मधुमेह का निवारण संभव है। उनके स्पीकर द्वारा दिया गया स्वर्ण

नियम मधुमेह को जारी रखने के लिए खोए हुए वजन को बनाए रखने के लिए था। श्रीमती जोशी ने बहुत ही कुशलता से विभिन्न खाद्य सामग्रियों के कुछ हिस्सों को दिखाते हुए कई स्लाइडों को दर्शाया है जो 10 ग्राम कार्बोहाइड्रेट प्रदान करते हैं। उन्होंने हाथों की मदद से कार्बोहाइड्रेट की गिनती कैसे करें और रक्त शर्करा के स्तर को बनाए रखने के लिए भाग नियंत्रण के महत्व पर जोर दिया। कार्बोहाइड्रेट के सेवन पर बहुत सारे मिथक का पंडाफोड़ किया गया। हर कोई जानता है कि कैसे खाना है, लेकिन यह क्या, कितना और कब खाना है जो जीवन की इष्टतम गुणवत्ता बनाए रखने में महत्वपूर्ण भूमिका निभाता है। वेबिनार सुश्री कल्याणी सिंह द्वारा संचालित किया गया था। एक सार्थक सत्र के बाद फलदायक चर्चा हुई जिसमें उल्टाही प्रतिभागियों के प्रश्नों का उत्तर दिया गया। वेबिनार को देश के सभी हिस्सों से लगभग 500 प्रतिभागियों ने इसे शामिल करने के लिए जबरदस्त प्रतिक्रिया दी।
