Notice Regarding Google Scholarship Programme

Respected Mam

I would like to convey my sincere thanks to you for supporting us in mobilizing learners for Grow with Google's 100% Scholarship Program.

69 candidates from your efforts got enrolled in the program. A list of the enrolled candidates along with their details is attached. As of date,

4 candidates have been certified only!!

We have been advised by Google and Nasscom Foundation to request you kindly suggest the enrolled candidates complete their certification before 31st December 2022 otherwise the voucher gets wasted.

Youngsters should complete the program without delay and get certified by Google which is acceptable worldwide.

I hope you will advise the learners to complete the program. Any guidance/help from our side we will be available online/offline anytime!

Regards

Paramjit Singh

Director RCED
