Last two years have forced us all to change our perspective towards all aspects of our lives: personal, social, spiritual and professional. Changing times have heralded a new era of technology driven pedagogical techniques wherein ICT has virtually replaced the classroom environment. Concurrently, for holistic development too, a comprehensive use of on line sources, webinars, virtual tours have been roped in to sensitize students on various pertinent issues. However, this transformation has its own pitfalls and challenges.

To begin with, the faculty has honed its ICT skills and geared up to impart academic and holistic training to the students through various modes: Google meet, Cisco Webex, WhatsApp, Microsoft teams, e mails, etc.

In the absence of physical attendance, the teachers faced the challenge of teaching on line where retention of attention, interest and connection with the students especially with recurring network issues had to be overcome. These times haven't been less challenging and frustrating for the students as well. Confined to their homes, away from the congenial atmosphere of the college campus where education is imparted not only through class room teaching, but also by sharing ideas with friends, participating in sports and extra- curricular activities, learning through distant mode was indeed a mammoth task. However, since change is the only constant in life, we have all adapted well to the new normal. The exponential effort

put by the college authorities and the Chandigarh administration in revamping the infrastructure in terms of faster internet, superior network system, new advanced and latest versions of computers etc have enabled us to meet this challenge head long.

SUPPORT SYSTEM

RUSA, UGC, New Delhi; Panjab University, Chandigarh and Dept. of Higher Education, Chandigarh Administration are our major support systems.

In addition, our college Administrative Branch, Examination Branch, Hostel and Library work in close confluence and ensure smooth running of the college.

RUSA (MHRD) GRANT

- Funding from RUSA enabled the college to establish a Research Lab in Life Sciences. The lab, which is one of its kind among the Chandigarh colleges, provides state-of-the-art research lab facility to PG and Ph.D. students in college. The research lab provides all facilities like testing equipment, library and other relevant material under one roof. It also has a projector to demonstrate/ present relevant scientific content to the stakeholders. The lab is being extensively used by the research scholars and PG students to carry out their research work in a conducive environment.
- The installation of the lift in the IT block is a step towards making our entire campus differently abled friendly. There was no provision for a ramp or a Lift in this building. However, with timely intervention by RUSA and the efforts made by the engineering department of Chandigarh administration, this ambitious project has now become a reality. It is pertinent to mention here that two of our B. Com students are differently abled and since the commerce department is on the third floor, they will be direct beneficiaries of this facility once classes resume post covid 19.. The lift will also enable easy movement of men and material especially during university and competitive exams.
- The day care centre at PGGCG-42, Chandigarh established under the aegis of MHRD (RUSA Scheme) provides a congenial and conducive environment for growth and development of the children of students and staff. Ever since its inception, the Day Care centre has facilitated working mothers and students with kids to pursue their work and studies respectively, while their young ones spend quality time in a safe, healthy, and conducive environment within the four walls of the college. It ensures security and safety and has an open-door policy, allowing and welcoming parents to visit and observe their children at any time. The fully equipped play room is covered with safety mats and is bright and colourful. There is also an ante room where children can take a nap. The centre is well equipped with all the necessary paraphernalia required for quality child care. It also has a fully furnished kitchen and a washroom. Day care centre offers full day, half day care and before/after school services. It's a cheerful place where children get an opportunity to mingle with peers and learn and play together.

- Mini Conference room: To cater to the academic and co-curricular needs of the students and the faculty, a mini conference room has been renovated and equipped with state-of-the-art infrastructure. Funds provided by RUSA have been instrumental in equipping this mini conference room with high definition projector and screen, WIFI facility, designated podium for the resource persons and comfortable sitting capacity of 86. This facility will help us organize various workshops, seminars and conferences in a conducive environment where interactive sessions, group discussions and other related activities will be successfully conducted. Moreover, it will facilitate student presentations viz-a viz viva, seminars, documentary screening, OJT presentations etc. by the students which is an integral component of their academic curriculum.
- RUSA has made an immense contribution in refurbishing college hostel mess and serving area by providing liberal grants to undertake this renovation. The college hostel mess is now totally modular with steel fittings and worktop and a separate washing area. To further enhance its ventilation a huge vent fitted with a high power exhaust machine has been installed which does not allow the fumes to pollute the kitchen and the serving area. All these facilities have added to the hygiene quotient of the college hostel mess making it one of the best in 'The City Beautiful'.

ADMINISTRATIVE OFFICE

We have a fully automated office which has dedicated and committed administrative staff led by Mrs.Santosh. The services of the Administrative staff are an integral and indispensable part of the functioning of the college and a fully computerized office has made the working of the Administrative Branch better organized and more efficient.

EXAMINATION BRANCH

The college examination branch is a confidential section with the responsibility of smooth conduct of Mid-Semester exams, University Examinations and competitive Exams for all the UG & PG courses on the basis of which internal assessment is calculated and Annual Prize Distribution is held. 4 Examination centres are allotted for Semester Exams. Also, various competitive examinations of National and State repute are assigned to the college by the Chandigarh Administration from time to time. Some of the important entrance examinations worth mentioning here are Civil Services, NDA, PCS, HCS, CET, BSRB, RRB, IB, SLIET, MES, and UGC etc.

Our College is amongst the first few colleges which has adopted Panjab University's Examination Appointment Project Online. Registrar Examination has been appointed as Nodal officer for this project. The Principal can login and recommend the names of the members of the faculty to be appointed as examiners, Centre Superintendents & members of the flying squad. Each faculty members have been allotted a Unique ID Number.

It is pertinent to state that College Examination Branch is equipped with BIZHUB-German make Printing Machine for printing of confidential papers etc. and Examination Branch members take extra pains to do this job which helps to save Govt. funds to the extent of 40%. Revenue from other sources such as disposal of used answer sheets is generated from time to time for improving exam infrastructure.

With the initiative of Registrar Examination branch, list of students who have topped in university exams has been prepared to guide and motivate intelligent students. College Examination work has been successfully web-interfaced with PU-VPN for handling editing, deleting, querying, viewing and printing reports which has substantially reduced paper work. Instead of using conventional examination form, the college has updated online examination - form submission in semester system. Communication gateway mechanism has been efficiently introduced for online submission of internal Assessment in undergraduate and post graduate classes.

Hostel

Following infra structural enhancements have been done:

- A new hostel building to accommodate 350 students is under construction.
- Three commercial ACS of 9 tonnes capacity have been installed in the dining hall.
- White wash of one wing of the hostel has been completed.
- The process of replacement of net doors and windows of the hostel rooms has been completed.

LABORATORIES

The college has thirty-nine laboratories in the subjects of Botany, Chemistry, Physics, Zoology, Bio-Technology, Microbiology, Bioinformatics, Computer Science, BCA, Functional English, Functional Hindi, Geography, Psychology, Fine Arts, Dance, Music Vocal and Instrumental, cosmetology and Home Science. These labs are equipped with all relevant items as per University norms. This year the college has added a dedicated research lab for life sciences.

LIBRARY

The Library of PGGCG-42 occupies a prominent position and it is an important and integral part of all the teaching programmes of the college. The Library is not merely a depository of books, but an active workshop instrument in the production of original thinking. The library has a fast-growing collection of books, journals, magazines both in print and digital format. Currently, the collection comprises text Books, reference books, CDs/DVDs, journals, dissertations, rare books and bound volumes of print journals. It has a collection of 42300 books, 70 magazines, 17 daily newspapers and 20 journals. The library is RFID equipped, fully automated, air-conditioned and wi-fi enabled. Most of the in-house services of the library are fully

computerized and provides access to many core services. Library provides various services to support the teaching and research work which includes Circulation of Reading Materials, Reference and Information Services, Inter-Library Loan, CAS for Journals Subscribed by the library and Photocopy Service. The library has created a blog <https://librarypggcg42.blogspot.com/> for updating the students about the collection and rules and regulations of the library. The blog provides a gateway to INFLIBNET; National Digital Library of India (NDLI) Web-OPAC and various free databases. The library has started a Wall magazine in which students can give their creative work, maybe a poem, story, or a painting to the library. Library provides orientation services for OPAC Surf, INFLIBNET, DELNET and NDLI, Search Strategy, Plagiarism and any topic regarding library use. The library has got access to the Urkund Software and started a service to check plagiarism. The library has two storytelling clubs namely Friday Fables and Tell-Tales Tuesdays to inculcate reading habits among students. Libraries are for use and users are its supreme. Moto of the library is 'Every Reader his or her piece of Information' so please explores the world of Knowledge!

WOMEN CELL

This is an awareness and capacity building program, initiated especially for the young students of the college, with an endeavour to promote a holistic growth. The idea then is to be: 'KNOWING OURSELVES and BUILDING OURSELVES'.

The objective of the program is to:

- Enable the girls to participate in the process of **decision making**.
- Facilitate them, in the process of **Identity Formation and Personality Development**
- Encourage them to develop a feeling of **Self-Worth**.
- **To build confidence** by encouraging them to discover their capabilities and potentials.
- To develop a **positive self-image** responsive to contributing to society.

Towards Holistic Development

International Yoga Day

7th international Yoga Day was celebrated today (June 21,2021) by the NCC unit of PGGCG-42, Chandigarh. Amid the ongoing Corona Virus pandemic, this year's theme is 'Be with Yoga, Be at home'. So, an Online Yoga session was organized by caretaker NCC Dr. Gurpreet Kaur and GCI Mona Kumar. Yoga session presenter was SGT Aanchal Thakur. The session started with inaugural speech given by Dr.Gurpreet Kaur who emphasized the importance of Yoga and physical exercises in daily life. Firstly, some basic stretches were performed- neck bending, shoulder rotation and ankle rotation followed by Bhadrasana, Ushtrasana, SetSetubanasna, Bhujangasana, Gomukhasana and Mandukasana and finally Anulom-VilomPranayam and KapalbhathiPranayam. Lastly, the session was ended with mind relaxation and Shavasana. Around 50 cadets along with their family members attended the online Yoga session. GCI Mona Kumar end the session with motivating words to the cadets and their family members.
