I am pleased to be able to write this letter of recommendation for Rtr. Navmeet Kaur who worked with Rotaract Club Chandigarh Himalayan for "organizing and mentoring" a fundraising event from July 2021 till September 2021. "Annual Recruitment" was an offline and online event which involves the overall process of identifying, sourcing, shortlisting, and interviewing students within an organization. That was held across the city. I have witnessed her growth and good leadership and communication skills throughout this event whereas she increased participation by using unique marketing skills and personal social network, bringing in the finest and most experienced executive board members and implementing innovative strategies, handling practices, utilizing digital technologies to enhance efficiency. Based on her positive contribution, initiative skills and suitable attitude. She is serving as the "General Secretary" of the club from July 2021 till the date and also supervised a team of 400+ members. Hence, she possesses some great leadership qualities. She possesses the value of integrity and doing the right thing, however difficult it may seem. She demonstrates determination and has a positive aura that motivates everyone to perform well. With her relentless commitment and passion towards her work, Rtr. Navmeet Kaur would be an asset to any organization. I wish her success in all her future endeavours.
