Online Education

1. Does all programs/courses were completed on time.	Yes

2. Measures taken to complete the syllabus of courses and programs.		The college has a dynamic system to meet the needs of pedagogy. The college draws up a detailed time-table which efficiently deploys the units of time for academic and co-curricular purposes as for example, theory, practical, tutorial, ICT, life-skill, value education and add-on classes thereby ensuring a balance between the different types of engagement a student is expected to participate in. The college proceeds according to a set of teaching plans based on an academic calendar, detailed enough to cover the available timeframe, yet flexible enough to permit changes. The teaching plans consist of detailed apportionment of the syllabus among all the faculties of a particular department. The apportioning is done democratically through discussion and deliberations among faculties in departmental meetings. Faculty members take utmost care to complete the syllabus in time. Tutorials/projects, class tests and internal assessments comprise the formal evaluative processes, but students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. Periodic meetings of IQAC take stock of the progress of teaching learning, among other things and meetings of the Department with Principal and parent-teacher meetings are other forums where progress of the delivery of curriculum are regularly monitored and necessary course corrections are initiated. The college is well equipped with smart classrooms, audio-visual and other ICT facilities which are extensively used by teachers in day-to-day teaching to make delivery of the curriculum attractive to students. Interactive teaching is promoted through students' participation in group discussions, quizzes and seminars. Special lectures delivered by eminent scholars on topics related to the curriculum further intensify students' learning experience. Some of the staff members also have their dedicated you tube channels where they regularly upload video lectures specially dedicated to the slow learners as well as the advanced learners for better performance. The college website has a dedicated E-Learning portal which further caters to the academic needs of the students.
3. The period of delay in completion of syllabus (in months).		0
4. The period of delay in conducting exams (in months).		0
