

Postgraduate Govt. College for Girls, Sector 42, Chandigarh

Association with MGNCRE

Mahatma Gandhi National Council of Rural Education strives to promote rural higher education in a comprehensive manner by providing support to various rural institutes across the country. It focuses on value-based education that provided scope for peace and cooperation, health and sanitation, environment management, entrepreneurship development, and promotion of rural livelihood options, which is indeed, the need of the hour.

To achieve this, MGNCRE has called for forming Student Self-Help Groups (SSHGs) to promote both entrepreneurship and workmanship in higher education institutions. Postgraduate govt. college for girls, Sector-42, Chandigarh is proud to be associated with Mahatma Gandhi National Council of Rural Education, Ministry of human resource development, Government of India.

Rising to the occasion, the college is keenly participating in collaborative initiatives and has formed student self-help groups under the aegis of Social Entrepreneurship, Swachhta and Rural Engagement cell. We believe that SES RE is a platform that will provide students with a number of opportunities to showcase their talent and will help students to develop new skills,

I want to express my gratitude towards MGNCRE, Ministry of higher education for association with our college. This association will provide the students an opportunity to inculcate vocational education and skilling and social entrepreneurship skills among students of the institute. We are grateful to Mr. Samarth Sharma, Consultant MGNCRE for his constant motivation and support to achieve our goals of constant sensitization and sustainability.

The college look forward to a long-time association chance to work with MGNCRE.

SOCIAL ENTREPRENEURSHIP, SWACHHTA AND RURAL ENGAGEMENT (SESRE)

Date of Constitution: October 2022

Postgraduate Govt. College for Girls, Sector-42, Chandigarh is now recognized as a part of the Social Entrepreneurship, Swachhta, Rural Engagement Cell. SES REC was launched by the Ministry of Education, GOI under the Mahatma Gandhi Council for Rural Education (MGNCRE). As part of this initiative; Institute has created 5 groups that work in-campus and outreach community work. These self-help groups are led by faculties from different departments and one Nodal officer,

The idea of SES-REC in the institute was initiated initially in response to the request made by the Mahatma Gandhi National Council of Rural Education at the behest of the Ministry of Education. SES RE was constituted to inculcate and internalize in our faculty, students and community, the values of Mentoring, Social Responsibility, Swachhta and Care for Environment and Resources. Institute is working hard on five suggested parameters of Environment Sustainability.

Working of SES-REC

1. There are areas of focus that come under the SES REC Action Plan that is Green Cover, Energy management, water management, Waste Management, Sanitation and Hygiene. Institute is working on all these five parameters best in all educational institutions.
2. Hardship results in Appreciation Certificates for best work done in Greenery, Waste Management, Sanitation and Hygiene from MGNCRE, Ministry of higher education GOI.
3. Student Self Help Groups has been constituted for all the five parameters of sustainability. Each Student help group has 5-6 student member and one faculty member as incharge.
4. Number of awareness activities like Zero Waste Month, Largest tree Plantation Drive, selfie with plant, Gandhi Chaddi, Webinar on sustainability initiatives in higher institutes, has been organized.
5. Skill based workshop on Sustainability and reuse of resources has been organized. Students were motivated for small business startups and video on these actions has been submitted with MGNCRE.
