**Live streaming of Chandrayaan 3 's landing on the Moon**

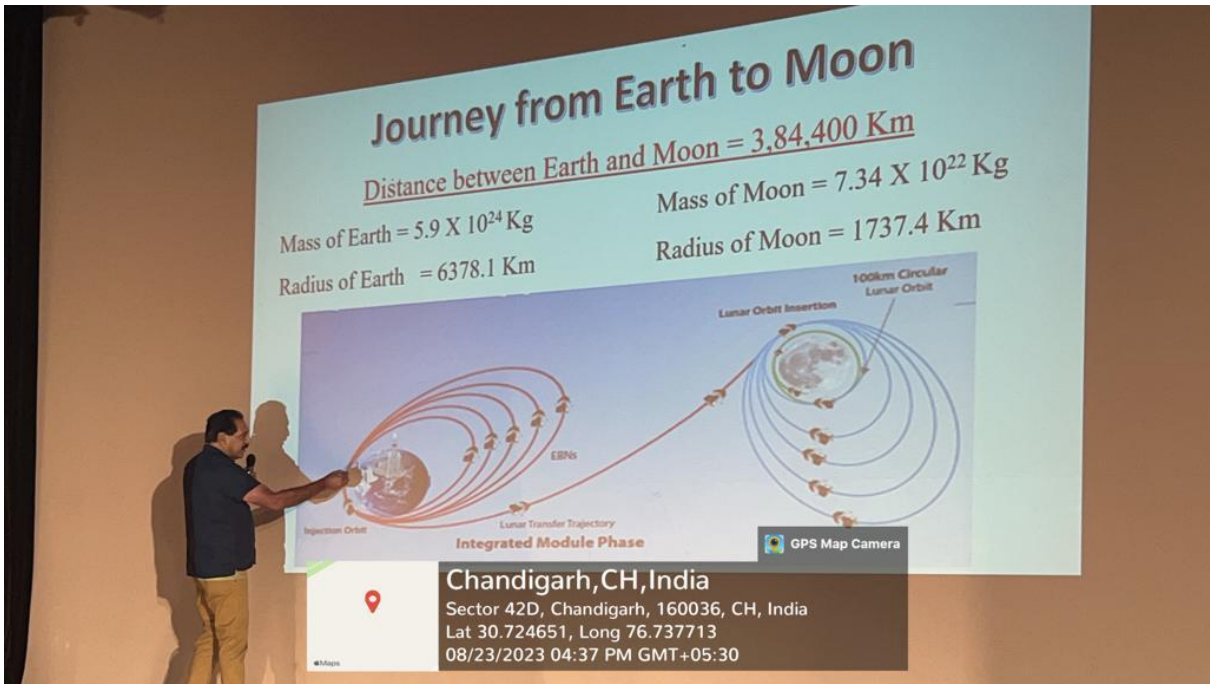

The Post Graduate Government College for Girls, Sector 42, Chandigarh organized the live streaming of Chandrayaan 3's landing on the moon in its auditorium 'Sabras' on 23rd August, 2023 under the aegis of Chandigarh Administration. Hon'ble Governor Shri Banwari Lal Purohit was the Chief Guest on the occasion. The live streaming was attended by Shri Dharam Pal Advisor to the Administrator, Home Secretary Shri Nitin Kumar Yadav, Education Secretary Ms. Purva Garg and many other dignitaries from the Chandigarh Administration. Besides the college staff and students, 400 students from various schools of the city also witnessed this momentous achievement in the college auditorium.

A power point presentation titled "Chanderyaan 3: All Eyes on the Moon" was presented by Shri Dharam Pal, Advisor to the Administrator. He enlightened the students about the mission, its scientific goals, and the astounding accomplishments of our scientists at ISRO. The students were made aware of India's relentless penchant and drive for space research, exploration that has given impetus to scientific inquiry, and innovations. The presentation was followed by an interactive session with the students wherein Sh. Dharam Pal cleared various doubts and answered queries of the students.

The momentous occasion was celebrated by the officials, teachers and students with lot of enthusiasm and patriotic fervour. In addition to the auditorium, the college also made adequate arrangements for the live streaming of this historic moment in the Mini conference room for non-teaching staff, hostel common room, hostel mess and gymnasium hall for the students.

The successful landing of Chandrayaan 3 marks a meaningful leap forward for Indian Science, Engineering, Technology, and Industry, and showcases the prowess of India in space exploration.
