

PRESS NOTE

Ms. Anantha Lakshmi MK, D/o. Shri Sujit Kumar Selected as UN Youth Climate Ambassador by UN Youth for Climate Change (UNYCC).

Date: 23.08.2023

We are proud to announce that Ms. Anantha Lakshmi MK College Roll No. 200057, a distinguished student of PGGCG Sector 42, Chandigarh (2020-2023), has been selected as the UN Youth Climate Ambassador by the United Nations Youth for Climate Change (UNYCC). This prestigious appointment is in recognition of evaluation of submission of her various activities with exceptional dedication and commitment to addressing the urgent global issue of climate change.

UNYCC is a renowned international organization that brings together young leaders from across the globe to advocate for climate action and sustainable development. The appointment of Ms. Anantha Lakshmi MK as a UN Youth Climate Ambassador is a testament to her strong leadership qualities, innovative ideas, and unwavering passion for making a positive impact on the environment.

Throughout her academic journey at PGGCG, Ms. Anantha Lakshmi has consistently demonstrated her commitment to environmental sustainability. She has actively participated in various climate-related initiatives, raising awareness about the pressing challenges faced by our planet and encouraging her peers to take action.

As a UN Youth Climate Ambassador, Ms. Anantha Lakshmi will play a pivotal role in advocating for policies and initiatives aimed at mitigating the impacts of climate change. Her role will involve engaging with global leaders, participating in international conferences, and collaborating with other youth ambassadors to drive meaningful change.

This achievement not only reflects positively on Ms. Anantha Lakshmi but also highlights the efforts and initiatives of PGGCG in fostering a culture of environmental consciousness and social responsibility among its students.

We extend our heartfelt congratulations to Ms. Anantha Lakshmi MK for this remarkable accomplishment. Her dedication to addressing climate change is an inspiration to us all, and we are confident that she will excel in her role as a UN Youth Climate Ambassador. We look forward to witnessing her continued contributions to a sustainable and resilient future for all.
