**REPORT**

Date-9th November, 2023

Department of Chemistry of PGGCG-42, Sector-42, Chandigarh in collaboration with YourPedia group organized a career counselling session for the B.Sc. III students. Dr. Vijayender, Founder and CEO of YourPedia group, was the resource person. The major objective was to provide knowledge of tremendous opportunities available in India or abroad both for jobs and higher education for the science graduates. All the B.Sc. III students got enriched with career options available for them after their graduation. At the end an interactive quiz session was organized based upon the discussions and knowledge shared during the lecture.
