REPORT 2012-2013

PLACEMENT CELL

Placement Cell aims at providing information to the students about job vacancies and the availability of different job oriented courses/classes in the city by different institutes.

We conduct training sessions on regular basis for the students to equip them with the skills of CV writing, Interview preparation & Reasoning ability.

In this session our objective has been to reach each & every student of the final year to awaken them as to the need of preparing themselves for financial self-sufficiency.

We also had been distributing printed copies of the interview skills & tips on Group discussion to the students copy of 'Employment News' is made available for the students in the placement cell any time of the day.

During this session we invited IBM, Aviva Insurance and Genpact to conduct placement drives in our college. 71 students have been given offer letters by the companies at an average salary of 2.2 lac per annum.
